Dear Fellow Clansmen of the Southern Region:

Greetings. I hope this finds you and yours well. I'm writing you, today, to seek your support in making the Southern Region of our Clan the flagship in our society. To do that, I need your assistance in renewing your membership if you haven't already (if you have, thank you!), becoming a part of the leadership of our region (many options), recruiting new members into our society, submitting news and photos to me (until we have a public relations officer for our region) to be placed on our portion of the National website. Check out our continuously updated web presence at: www.clancumming.us when you have the opportunity. I think you will be impressed. I'm very new to clan societies but am eager to learn and work with my fellow kinsmen. I look forward to hearing from each of you. My contact details are below. Feel free to contact me with questions or comments. God bless.

Courage!

Yours Aye,
